## CADILLAC XTS RENAISSANCE®

The 14th century was the beginning of something new...something the world had never experienced. It was the revitalization of art, literature and learning. The Renaissance was the marking of the transition from the outdated to the contemporary world. True to its name, the Federal Renaissance will revitalize the professional vehicle industry with its sophisticated styling and world-class quality.

# CADILLAC XTS RENAISSANCE®

The Renaissance features a sophisticated yet functional rear casket compartment.

The new LED lighting and skylight features show the elegance that the Renaissance offers.

As standard equipment, the Renaissance has a rear-view backup camera integrated into the rear load door.

Sculptured body line flows gracefully from the front to the rear of the coach.

The Renaissance is available with a standard crown roof band, a rear skylight, and limousine-styled windows.
